21.8 In order to ensure that no unauthorised person gains access to any Confidential Information or any data obtained in the performance of the Agreement, the Company undertakes to maintain security systems approved by the Council. Where necessary to prevent such access, the Council may require the Company to alter any security systems at any time during the Term at the Company's expense.

21.9 The Company will immediately notify the Council of any breach of security in relation to Confidential Information and all data obtained in the performance of the Agreement and will keep a record of such breaches. The Company will use its best endeavours to recover such Confidential Information or data however it may be recorded. The Company will cooperate with the Council in any investigation that the Council considers necessary to undertake as a result of any breach of security in relation to Confidential Information or data.

22 **Freedom of Information**

22.1 The Company acknowledges that the Council is subject to the requirements of the FOIA and the Environmental Information Regulations and shall assist and cooperate with the Council (at the Company's expense) to enable the Council to comply with these Information disclosure requirements.

22.2 The Company shall and shall procure that its sub-contractors shall:

22.2.1 transfer the Request for Information to the Council as soon as practicable after receipt and in any event within two (2) Working Days of receiving a Request for Information;

- 22.2.2 provide the Council with a copy of all Information in its possession or power in the form that the Council requires within ten (10) Working Days (or such other reasonable period as the Council may specify to enable the Council to comply with any applicable statutory timescales) of the Council requesting that Information; and
 - 22.2.3 provide all necessary assistance as reasonably requested by the Council to enable the Council to respond to a Request for Information within the time for compliance set out in section 10 of the FOIA or regulation 5 of the Environmental Information Regulations.
- 22.3 The Company acknowledges that the Council may, acting in accordance with the Department for Constitutional Affairs' Code of Practice on the Discharge of Functions of Public Authorities under Part I of the Freedom of Information Act 2000, be obliged under the FOIA or the Environmental Information Regulations to disclose Information:
- 22.3.1 without consulting with the Company, or
 - 22.3.2 following consultation with the Company and having taken its views into account.
- 22.4 The Company shall ensure that all Information produced in the course of the Agreement or relating to the Agreement is retained for disclosure and shall permit the Council to inspect such records as requested from time to time.

23 **Publicity, media and official enquiries**

- 23.1 Without prejudice to the Council's obligations under the FOIA, neither Party shall make any press announcements or publicise the Agreement or any part thereof in any way, except with the written consent of the other Party.
- 23.2 Both Parties shall take all reasonable steps to ensure the observance of the provisions of clause 23.1 by all their servants, employees, agents, professional advisors and consultants. The Company shall take all reasonable steps to ensure the observance of the provisions of clause 23.1 by its sub-contractors.
- 23.3 The provisions of this clause shall apply during the continuance of this Agreement and indefinitely after its expiry or termination.

24 **Variation**

- 24.1 Either Party may as part of the Annual Review or in the event of an urgent matter on giving reasonable written notice to the other Party require changes to the Services (whether by way of the removal of Services, the addition of new Services, or increasing or decreasing the Services or specifying the order in which the Services are to be performed or the locations where the Services are to be provided) for any reasons whatsoever. Such a change is hereinafter called a Variation.
- 24.2 In the event that the relevant Party is unable within the timescale reasonably directed by the Party to carry out the Variation in accordance with clause 24.1 above, the Parties shall refer the matter to the dispute resolution process as set out in clause 43.

- 24.3 In the event of any Variation of the Specification in accordance with clause 24.1 which would occasion an amendment to the Annual Fee, such amendment to the Annual Fee shall be agreed in writing with the Council and shall be such amount as properly and fairly reflects the nature and extent of the Variation in all the circumstances, and the Variation shall not take effect until the revised Annual Fee is agreed. Failing agreement the matter shall be determined by the disputes resolution process set out in clause 43.
- 24.4 Each party shall provide such information as may be reasonably required to enable such varied Annual Fee to be calculated.
- 24.5 No Variation shall be effective unless it is in writing and signed by the Council and the Company.
- 24.6 Until such time as any Variation is approved by both Parties or determined by the disputes resolution process, the Company shall, unless otherwise agreed in writing, continue to provide the Services as if the request or recommendation for that Variation had not been made.
- 25 **Intellectual Property Rights**
- 25.1 The Council (for itself and the Members) and the Company acknowledge that:
- 25.1.1 any and all Intellectual Property Rights created wholly by the Company in connection with the provision of the Services (the **Company IPRs**) shall automatically belong to the Company.
- 25.1.2 any and all Intellectual Property Rights created or otherwise owned by or licenced to the Council or other Members in connection with the Business (the **Member IPRs**) shall belong to the Member who created them.
- 25.2 The Company hereby grants to each Member for the time being and for the duration of their Membership of the Company a non-transferable royalty-free licence to use the Company IPRs (as they may be constituted from time to time) to the extent necessary for the purposes of the Services. The Council (for itself and the Members) hereby grants to the Company a non-transferable royalty-free licence (without the right to grant sub-licences) to use the Member IPRs (as they may be constituted from time to time) solely to the extent necessary for the purposes of providing the Services.
- 25.3 All use of the Company IPRs by the Members pursuant to this Deed, including all goodwill arising from such use, shall accrue solely to the benefit of the Company. All use of Member IPRs by the Company pursuant to this Deed, including all goodwill arising from such use, shall accrue solely to the benefit of the respective Member.
- 25.4 The Company and each Member agree that they shall not, without the prior written consent of the other parties to this Deed, assign, transfer, mortgage, charge or deal in any other manner with any of their rights under this clause 25.
- 25.5 The Council shall notify the Company in writing of any claim or demand brought against the Council for infringement or alleged infringement of any Intellectual Property Right in respect of Company IPRs.

- 25.6 The Company shall at its own expense conduct all negotiations and any litigation arising in connection with any claim for breach of Intellectual Property Right in respect of Company IPRs, provided always that the Company:
- 25.6.1 shall consult the Council on all substantive issues which arise during the conduct of such litigation and negotiations;
 - 25.6.2 shall take due and proper account of the interests of the Council; and
 - 25.6.3 shall not settle or compromise any claim without the Council's prior written consent (not to be unreasonably withheld or delayed).
- 25.7 The Council shall at the request of the Company afford to the Company all reasonable assistance for the purpose of contesting any claim or demand made or action brought against the Council or the Company for infringement or alleged infringement of any Intellectual Property Right in connection with the performance of the Agreement and shall be repaid all costs and expenses (including, but not limited to, legal costs and disbursements) incurred in doing so.
- 25.8 The Council shall not make any admissions which may be prejudicial to the defence or settlement of any claim, demand or action for infringement or alleged infringement of any Intellectual Property Right by the Council or the Company in connection with the performance of the Agreement.
- 25.9 If a claim, demand or action for infringement or alleged infringement of any Intellectual Property Right is made in connection with the Agreement or in the reasonable opinion of the Company is likely to be made, the Company may at its own expense and subject to the consent of the Council (not to be unreasonably withheld or delayed) either:
- 25.9.1 modify any or all of the Services without reducing the performance or functionality of the same, or substitute alternative Services of equivalent performance and functionality, so as to avoid the infringement or the alleged infringement, provided that the terms herein shall apply mutatis mutandis to such modified Services or to the substitute Services; or
 - 25.9.2 procure a licence to use and provide the Services, which are the subject of the alleged infringement, on terms which are acceptable to the Council.
- 25.10 The provisions of this clause shall apply during the continuance of this Agreement and indefinitely after its expiry or termination.

26 **Company assignment and sub-contracting**

- 26.1 Subject to the provisions of clause 26.2, the Company shall not assign, novate, sub-contract or in any other way dispose of the Agreement or any part of it without prior Approval. Sub-contracting any part of the Agreement shall not relieve the Company of any obligation or duty attributable to the Company under the Agreement.
- 26.2 The Company shall not be required to obtain the Council's Approval pursuant to clause 26.1 in relation to any sub-contract where:
- 26.2.1 the relevant sub-contract is for an aggregate value of £500,000 or less; or

26.2.2 where the relevant sub-contract (of any value) has been approved by the Council as part of the Business Plan approval process for the relevant Contract Year.

26.3 The Company shall be responsible for the acts and omissions of its sub-contractors as though they are its own.

26.4 Where either the Council has consented to the placing of sub-contracts or the sub-contracts are permitted in accordance with clause 26.2, copies of each sub-contract shall be sent by the Company to the Council within two (2) Working Days of issue.

27 **Council assignment and novation**

The Council shall be entitled to assign, novate or dispose of its rights and obligations under this Agreement either in whole or part to any contracting authority (as defined in The Public Contracts Regulations 2015) or transfer, assign or novate its rights and obligations where required by Law.

28 **Waiver**

28.1 The failure of either Party to insist upon strict performance of any provision of the Agreement or the failure of either Party to exercise any right or remedy shall not constitute a waiver of that right or remedy and shall not cause a diminution of the obligations established by this Agreement.

28.2 No waiver shall be effective unless it is expressly stated to be a waiver and communicated to the other Party in writing in accordance with the provisions of clause 3.

28.3 A waiver of any right or remedy arising from a breach of this Agreement shall not constitute a waiver of any right or remedy arising from any other or subsequent breach of the Agreement.

29 **Severability**

29.1 If any provision of the Agreement is held invalid, illegal or unenforceable for any reason by any court of competent jurisdiction, such provision shall be severed and the remainder of the provisions of the Agreement shall continue in full force and effect as if the Agreement had been executed with the invalid, illegal or unenforceable provision eliminated.

29.2 In the event of a holding of invalidity so fundamental as to prevent the accomplishment of the purpose of the Agreement, the Parties shall immediately commence negotiations in good faith to remedy the invalidity.

30 **Possible extension of Term**

Subject to satisfactory performance by the Company during the Term, the Council shall be entitled by written notice to the Company given not less than twelve (12) Months prior to the Expiry Date for the relevant Service to extend the Term for (as applicable) the Commissioning Services, the General Services and/or the Support Services for the relevant Extension Period(s). The provisions in this Agreement will apply throughout any such extended period.

31 **Indemnity and Required Insurance**

- 31.1 Neither Party excludes or limits liability to the other Party for death or personal injury caused by its negligence.
- 31.2 In addition to any other insurances as may be required by law, the Company shall ensure that the following insurance cover is effected and maintained for at least the sums specified and notified annually to the Council in respect of:
- 31.2.1 any property held by it for the purposes of the agreement;
 - 31.2.2 public liability insurance minimum twenty five million pounds (£25,000,000);

- 31.4 The Company shall produce to the Council, on request, copies of all insurance policies referred to in this clause to demonstrate that the appropriate cover is in place, together with receipts or other evidence of payment of the latest premiums due under those policies.
- 31.5 If, for whatever reason, the Company fails to give effect to and maintain the insurances required by this Agreement the Council may make alternative arrangements to protect its interests and may recover the costs of such arrangements from the Company.
- 31.6 The Company shall ensure that all relevant insurance policies shall have the interest of the Council endorsed upon them or shall otherwise expressly by their terms confer their benefits upon the Council.
- 31.7 The Company shall use its reasonable endeavours to undertake the Services in such a way as to minimise third party claims for compensation damages or otherwise or any legal liability arising in connection with or incidental to the carrying out of the Services through the negligence default or neglect of the Company.
- 31.8 Subject to clauses 31.9 and 31.10 the Company shall indemnify the Council in respect of any losses, costs, claims, proceedings, damages and other liabilities incurred by the Council and directly arising from the performance of the Services and from actions or

omissions of the Company in relation to the terms of this agreement and to the performance of the Services.

31.9 The Company is not responsible for and shall not indemnify the Council for any losses to the extent that such losses are caused by any material breach by the Council of any of its obligations under this Agreement.

31.10 Subject always to clause 31.1, the Company's liability to the Council under clause 31.8 shall not exceed the level of any insurance payment received by the Company in respect of the losses incurred by the Council under clause 31.8.

32 **Warranties and representations**

32.1 Each Party warrants and represents that they have full capacity and all necessary consents to enter into this Agreement and that this Agreement is executed by a duly authorised representative of that Party.

32.2 The Company warrants and represents that it is not in default in the payment of any due and payable taxes or in the filing, registration or recording of any document or under any legal or statutory obligation or requirement which default might have a material adverse effect on its business, assets or financial clause or its ability to observe or perform its obligations under this Agreement.

33 **TUPE provisions on commencement of Agreement**

33.1 The Parties acknowledge that delivery of the Services by the Company from the Commencement Date shall with respect to each of the Council Transferring Employees be a relevant transfer for the purposes of the TUPE Regulations and the Parties agree that as a consequence of that relevant transfer the contracts of employment made between Council and the Council Transferring Employees (save insofar as such contracts relate to benefits for old age, invalidity or survivors under occupational pension scheme) shall have effect from and after the Commencement Date as if originally made between Company and the Council Transferring Employees.

33.2 Upon the transfer of the Council Transferring Employees to the employment of the Company, it is agreed that the Council will employ those employees identified under the heading "Joint Employees" in Schedule 8 together with such employees recruited pursuant to the provisions of clause 34.10.2 (Joint Employment) jointly with the Company for all purposes save for the performance of those elements of their role (including through a delegation under Section 101 of the Local Government Act 1972) in respect of which they are obliged by legislation to be employed by the Council (the **Statutory Functions**), in relation to which the Council will be the sole employer of the Joint Employees.

33.3 For all purposes save for the performance of the Statutory Functions and as expressly referred to in clause 34.10 (Joint Employment) below the Council appoints the Company and the Company will act as agent for the Council.

33.4 The Council warrants that the information in respect of the Council Transferring Employees as set out (under the heading **Council Transferring Employees**) in Schedule 8 and all other information relating to the Council Transferring Employees disclosed to the Company pursuant to regulation 11 of the TUPE Regulations is accurate and complete.

33.5 The Council shall indemnify the Company from and against each and every cost claim, liability expense or demand which is properly and reasonably incurred by the Company in connection with and as a result of any action or omission by the Council prior to the Commencement Date in connection with any matter relating to or arising out of:

33.5.1 the Council's breach of its obligations under clauses 33.4;

33.5.2 anything done or omitted to be done by or on behalf of the Council in respect of any Council Transferring Employee up to the Commencement Date which is deemed to have been done or omitted to be done by or on behalf of the Company in accordance with the TUPE Regulations;

33.5.3 any claim by or on behalf of all or any of the Council Transferring Employees arising out of any failure by the Council to comply with its legal obligations in relation to information and consultation pursuant to regulations 13 and 14 of the TUPE Regulations save insofar as any such failure results from any failure by the Company to comply with its obligations pursuant to regulation 13 (4) of the TUPE Regulations; and

33.5.4 any claim or demand by any Joint Employee arising out of any such employee's performance of the Statutory Functions whilst employed by the Council (save where such claim or demand arises out of any acts, fault or omission of the Company).

33.6 The Council shall indemnify the Company against all claims, liabilities, costs, demands (including all expenses associated therewith) made within twelve (12) Months of the Commencement Date by or in relation to each and every employee or former employee of the Council who was prior to the Commencement Date employed by the Council in the delivery of the Services who is not a Council Transferring Employee in respect of whom it is alleged their employment or any liabilities have transferred to the Company pursuant to the TUPE Regulations being any claim, liability, cost and demand arising out of:

33.6.1 the employment or termination of employment of such a person prior to the Commencement Date; or

33.6.2 the employment or any termination of employment of such a person after the Commencement Date (excluding claims for discrimination) by the Company provided always that the Company terminates the employment of such person within twenty (20) Working Days of first becoming aware of such an allegation, and subject always to the Company using its reasonable endeavours to identify and offer any suitable alternative employment for such person; or

33.6.3 any claim by or on behalf of any such person arising out of any failure to comply with regulations 13 and 14 of the TUPE Regulations,

provided that in the event of any such claim being made the Company shall forthwith notify the Council and no agreement or settlement shall be reached or entered into by the Company without the prior written consent of the Council such consent not to be unreasonably withheld or delayed.

33.7 The Company shall indemnify and keep the Council indemnified from and against each and every cost, claim, liability, expense or demand which is properly and reasonably

incurred by the Council in connection with or as the result of any act or omission by the Company on or after the Commencement Date and up to and including the Termination Date in connection with any matter relating to the Council Transferring Employees as follows:

- 33.7.1 any claim by or on behalf of all or any of the Council Transferring Employee that the transfer involves or would involve a substantial change in working conditions to the material detriment of such a person;
- 33.7.2 the employment or termination of employment of any Council Transferring Employee by the Company up to and including the Termination Date;
- 33.7.3 anything done or omitted to be done by or on behalf of the Company in respect of any Council Transferring Employee up to and including the Termination Date which is deemed to have been done or omitted to be done by or on behalf of the Council or any New Supplier in accordance with the TUPE Regulations;
- 33.7.4 any failure by the Company to pay any of the Council Transferring Employees any remuneration due or provide any benefits in respect of the period prior to Termination Date arising out of his employment by the Company;
- 33.7.5 any claim by or on behalf of all or any of the Council Transferring Employees arising out of the Company's failure to comply with its legal obligations in relation to information and consultation pursuant to regulations 13(4).

33.8 The Company shall ensure that all Council Transferring Employees are offered Appropriate Pension Provision with effect from the Commencement Date.

33.9 The Company and the Council shall comply with the Best Value Authorities Staff Transfers (Pensions) Direction 2007 (the **Direction**) in respect of Council Transferring Employees and to the extent necessary to give effect to the Council Transferring Employees to enforce their rights under this clause 33 in accordance with this Direction.

33.10 **Employer Status under the Local Government Pension Scheme**

The Company shall enter into the Admission Agreements to have effect from and including the Commencement Date.

33.11 The Company shall indemnify and keep indemnified the Council from and against all Direct Losses suffered or incurred by it or them, which arise from any breach by the Company of the terms of the Admission Agreements, to the extent that such liability arises before or as a result of the termination or expiry of this Agreement.

33.12 **Not used**

33.13 **Surpluses and liabilities accrued after the Commencement Date**

33.13.1 The Company and the Council shall use best endeavours to procure that the Administering Authority instructs the Fund's actuary to confirm (and where necessary certify) that:

- (a) from the Commencement Date the Company employer contribution rate payable to the appropriate Fund shall be the Initial Contribution Rate;

- (b) at each subsequent triennial valuation of the Fund by the Fund's actuary (or any interim valuation and/or revision of the rates and adjustments certificate applying to the Company in relation to the Admission Agreement) the employer contribution rate payable to the appropriate Fund by the Company (as identified by reference to the employer contribution rates expressed to be payable in respect of the Council Transferring Employees in the definition of Initial Contribution Rate) shall be assessed on the assumption that any individual adjustment specified in respect of the relevant Member in a rates and adjustment certificate issued by the Fund's actuary in accordance with the LGPS Regulations will also apply to the Company. Where the employer contribution rate payable by the Company changes as a result of that valuation of the Fund, the Company shall inform the Council and the Council shall adjust the Annual Fee by an amount equal to the change in the employer contributions payable.

- 33.13.2 If notice is given by the Company or the Council to the other party that it is no longer content for the arrangement described in clause 33.13.1 to continue to apply or in circumstances where the Administering Authority determines that the arrangement in clause 33.13.1 shall no longer continue, then it shall cease to apply with effect from such future date as may be agreed between the Company and the Council, or as determined by the Administering Authority, and the Company and the Council shall work together, in good faith, to agree a replacement mechanism to allocate responsibility for variance in the employer contribution rate payable by the Company between the Council and the Company.

- 33.13.3 Except where the Council has given its written consent in relation to the proposed Company's actions falling within (a) to (g) below (such consent not to be unreasonably withheld or delayed) and the Company has provided the Council with a sustainable business case which justifies and supports the planned course of action, whether that case is presented as a one-off request or forms part of the Company's annual budget setting, the Company is responsible for and is not reimbursed under clause 33.13.5 for any contributions, payments or sums reasonably and properly payable in respect of the Council Transferring Employees during the term of this Agreement or on termination of the relevant Admission Agreement and/or this Agreement relating to the following:
 - (a) any employer contributions or payments relating to the costs of early retirement benefits arising on redundancy or as a result of business efficiency under Regulation 30(7) of the LGPS Regulations or otherwise other than where the Council has entered into a contractual commitment to make the individual Transferring Council Employee redundant before the Commencement Date or on termination or expiry of this Agreement;
 - (b) the costs of early retirement benefits made with the Company's consent;
 - (c) any contributions or payment to the Fund in respect of benefits on grounds of ill-health or infirmity of mind or body and any associated costs save where the Council Transferring Employee is certified on long

term sickness absence on the date of the Commencement Date, where the cost of those benefits is apportioned by reference to the Council Transferring Employees' length of pensionable service and the Council is responsible for the proportion of the cost relating to the period of pensionable service prior to the date of the Commencement Date and the Company is responsible for the proportion relating to the period of pensionable service after the Commencement Date. The Company uses reasonable endeavours to mitigate such costs including taking all reasonable measures to ensure that employees on long term sick leave return to the work place where reasonably practicable;

- (d) the payments or costs of enhanced or unreduced benefits arising as a consequence of the exercise of a discretion or the grant of any consent by the Company under the LGPS Regulations including without limitation under Regulation 31 of the LGPS Regulations or otherwise;
- (e) increases in the Council Transferring Employees' Pensionable Pay which exceed the greater of:
 - i the salary increases allowed for in the actuarial assumptions by the Fund's actuary in the most recent on-going funding valuation of the Fund;
 - ii in respect of any Council Transferring Employees to whom such increase applies, the pay scale and allowance rate prescribed from time to time by the National Joint Council for Local Government Services; or
- (f) any employer contributions or payments relating to the costs of flexible retirement where the actuarial reduction is waived in whole or in part or a cost neutral reduction is not applied with the consent of the Company;
- (g) to the extent not covered above, any other costs or payments arising out of or in connection with the exercise of any discretion or the grant of any consent under the LGPS Regulations by the Company where a member does not have an absolute entitlement to that benefit under the LGPS.

33.13.4 Where the Administering Authority obtains an actuarial valuation under Regulation 64(1) of the LGPS Regulations or on the Company ceasing to be an Admission Body and the Company is required to pay any revised contribution or payment by the Administering Authority in respect of any funding deficit which relates to the Council Transferring Employees then to the extent that such funding deficit is not attributable to any of the matters set out in clause 33.13.3 or any failure or delay in the payment of employer's contributions by the Company or failure or neglect or delay by the Company to ensure payment of employees' contributions (the **Exit Contribution**) such contribution or payment paid by the Company is reimbursed under clause 33.13.5. In the alternative, where the relevant Administering Authority agrees, no Exit Contribution shall be payable by the Company and instead, the relevant Council shall accept full responsibility for the Company's liabilities in the appropriate Fund and the Council will be credited with a notional allocation of assets that were attributable to the Company under the Fund.

- 33.13.5 Where an Exit Contribution is paid by the Company, the Company shall immediately invoice the Council and the Council shall adjust the Annual Fee by an amount equal to the Exit Contribution.
- 33.13.6 For the purposes of calculating the Exit Contribution, any part of an Exit Contribution which is attributable to any matters for which the Company is responsible for under clause 33.13.3 shall be disregarded.
- 33.14 The Company shall award benefits (where permitted) to the Council Transferring Employees under the LGPS Regulations in circumstances where the Council Transferring Employees would have received such benefits had they still been employed by the Council.
- 33.15 The Council shall have a right to set off against any payments due to the Company an amount equal to any overdue employer and employee contributions and other payments (and interest payable under the LGPS Regulations) due from the Company (as applicable) under the relevant Admission Agreement. Where the Council exercises any right of set off under this clause 33.15, it shall make the relevant payment direct to the applicable Administering Authority.
- 33.16 **Company Pension Scheme**
- Where the Company is prevented from offering all or some of the Council Transferring Employees membership or continued membership of the LGPS, the Company shall offer the Council Transferring Employees membership of an occupational pension scheme with effect from the Commencement Date, or as appropriate, the date on which LGPS admission ceases. Such an occupational pension scheme must be certified by the GAD as providing benefits that are broadly comparable to those provided by the LGPS, and the Company shall produce evidence of compliance to the Council prior to the date of the Commencement Date.
- 33.17 The Council shall liaise with the Fund's actuary to determine the terms for bulk transfers from the LGPS to the Company's scheme following the Commencement Date, or as appropriate when the relevant Admission Agreement ceases, and any subsequent bulk transfers on termination or expiry of this Agreement.
- 33.18 The Company shall:
- 33.18.1 maintain such documents and information as will be reasonably required to manage the pension rights of and aspects of any onward transfer of any person engaged or employed by the Company in the provision of the Services on the expiry or termination of this Agreement (including without limitation identification of the Council Transferring Employees);
- 33.18.2 promptly provide to the Council such documents and information mentioned in clause 33.18.1 which the Council may reasonably request in advance of the expiry or termination of this Agreement; and
- 33.18.3 fully cooperate (and procure that the trustees of the Company's scheme shall fully cooperate) with the reasonable requests of the Council relating to any administrative tasks necessary to deal with the pension rights of and aspects of

any onward transfer of any person engaged or employed by the Company in the provision of the Services on expiry or termination of the Agreement.

33.19 **Transfer to another Employer**

Save on expiry or termination of this Agreement, if the employment of any Transferring Council Employee transfers to another employer (by way of a transfer under TUPE) the Company shall:

33.19.1 consult with and inform those Council Transferring Employees of the pension provisions relating to that transfer; and

33.19.2 procure that the employer to which the Council Transferring Employees are transferred (the **New Employer**) complies with the provisions of clause 33 and references to Commencement Date will become references to the date of the transfer to the New Employer and references to Council Transferring Employees will become references to the Council Transferring Employees so transferred to the New Employer.

33.20 **Pension Issues on Expiry or Termination**

The Company shall:

33.20.1 maintain such documents and information as will be reasonably required to manage the pension rights of and aspects of any onward transfer of any person engaged or employed by the Company in the provision of the Services on the expiry or termination of this Agreement (including without limitation identification of the Council Transferring Employees);

33.20.2 promptly provide to the Council such documents and information mentioned in clause 33.20.1 which the Council or the Administering Authority may reasonably request in advance of the expiry or termination of this Agreement; and

33.20.3 fully co-operate (and procure that the trustees of the Company Scheme shall fully co-operate) with the reasonable requests of the Council or the Administering Authority relating to any administrative tasks necessary to deal with the pension rights of and aspects of any onward transfer of any person engaged or employed by the Company in the provision of the Services on the expiry or termination of this Agreement.

33.21 **Compliance with Part 1 Pensions Act 2008**

The Company shall comply with its employer duties and requirements from time to time under the Pensions Act 2008 and associated regulations.

34 **TUPE provisions on cessation of Agreement**

34.1 Both of the Parties acknowledge that it is their intention, subject to the Law at the date of cessation of the Services, that on the cessation of the delivery of the Services and the commencement of the Services which are the same or similar to the Services (or any part of them) by the Council or any New Supplier shall with respect to each of the Termination Employees be treated as a relevant transfer for the purposes of the TUPE Regulations

and the Parties agree that as a consequence of that relevant transfer the contracts of employment made between the Company (or the Council and the Company jointly, as applicable) and the Termination Employees (save insofar as such contracts relate to benefits for old age, invalidity or survivors under occupational pension scheme) shall have effect from and after the Commencement Date as if originally made between the Council/New Supplier and the Termination Employees.

34.2 The Parties will, in good faith and following consultation with Staff and any appropriate representatives within the meaning of TUPE, attempt to agree which of the Staff will be deemed to transfer to the Council or any New Supplier in accordance with clause 34.1 based on the disaggregation criteria defined in clause 34.3 (**Disaggregation Criteria**) who shall be, for the purposes of this Agreement, the Termination Employees, with the remainder of such employees remaining with the Company. If the Parties have not agreed the identity of the Termination Employees at least three (3) Months prior to the Termination Date then the Parties will resolve the matter in accordance with the dispute resolution procedure set out in clause 43.

34.3 The Disaggregation Criteria used to determine who shall be the Termination Employees shall be:

34.3.1 the relative proportion of work undertaken for the Company and the Council in the twelve (12) Month period immediately prior to the Termination Date;

34.3.2 any preference stated by the Staff;

the Company's reasonable costs of providing the assistance and the Company shall take all reasonable steps to mitigate such costs.

40.4 The provisions of this clause shall apply during the continuance of this Agreement and indefinitely after its termination.

41 **Force Majeure**

41.1 Neither Party shall be liable to the other Party for any delay in or failure to perform its obligations under the Agreement (other than a payment of money) if such delay or failure results from a Force Majeure event. Notwithstanding the foregoing, each Party shall use all reasonable endeavours to continue to perform its obligations hereunder for the duration of such Force Majeure event. However, if any such event prevents either Party from performing all of its obligations under the Agreement for a period in excess of six (6) Months, either Party may terminate the Agreement by notice in writing with immediate effect.

41.2 Any failure or delay by the Company in performing its obligations under the Agreement which results from any failure or delay by an agent, sub-contractor or supplier shall be regarded as due to Force Majeure only if that agent, sub-contractor or supplier is itself impeded by Force Majeure from complying with an obligation to the Company.

41.3 Clause 41 does not affect the Council's rights under clause 40.4.

Schedule 12

Data Processing

- 1 In any situation where there is any doubt, the Company (the **Data Processor**) will process personal data strictly in compliance with The Data Protection Act 1998.
- 2 The Data Processor undertakes that it shall process the Personal Data only in accordance with the Council's (the **Data Controller's**) instructions for the processing of that personal data. The Data Processor will not process the data in any way or for any purpose other than those set out in this agreement, except where authorised by the Data Controller.
- 3 The Data Processor will process the Personal Data for the delivery of the Services and undertaking statutory functions on behalf of the Council.
- 4 The Data Processor will ensure that access to personal data is limited to only those employees who require access for the purpose of the Data Processor carrying out the processing specified herein and complying with its obligations under this Agreement.
- 5 All staff employed by the Data Processor with access to the Data Controller's data will receive suitable training on information security and Data Protection. Audit trails on access to personal data and incidents involving personal data will be maintained by the Data Processor and made available to the Data Controller on request.
- 6 The Data Processor agrees to assist the Data Controller promptly with all subject access requests that may be received from the data subjects under Section 7 of the Data Protection Act 1998. Information will be provided to the Data Controller within 7 days of being notified of a request.
- 7 The Data Processor will not disclose the personal data to a third party in any circumstances other than at the specific written request of the Data Controller, unless the disclosure is required by law. Where the disclosure is required by law, the Data Processor will inform the Data Controller immediately.
- 8 The Data Processor will not transfer the personal data outside of the United Kingdom for any reason.
- 9 The Data Processor will not sub-contract any of the processing without explicit written agreement from the Data Controller. Where such written agreement is provided, the Data Processor will ensure that any sub-contractor it uses to process the personal data complies with the terms of this Agreement.
- 10 The Data Processor will in general employ appropriate operational and technological processes and procedures to keep the personal data safe from unauthorised use or access, loss, destruction, theft or disclosure.
- 11 The Data Processor will not keep the personal data on any laptop or other portable drive or device unless the use of such equipment is necessary for the delivery of the Services, and only when that device is encrypted. Where this is necessary, the Data Processor will keep a clear record of all devices the personal data are stored.

- 12 Any breach of security involving the loss, theft, damage, inappropriate access to or corruption of personal data – or equipment on which it is stored - supplied by the Data Controller to the Data Processor must be reported to the Data Controller immediately it is identified, and no later than two working days after the incident is identified. The Data Processor will provide any necessary assistance required to manage or investigate the causes of any such incident, liaise with the Information Commissioner or correct any breaches. The same level of assistance will be provided should any complaint be received from a data subject about the services covered by this Agreement.
- 13 Upon satisfactory completion of the Services or on termination of this Agreement, the Data Processor will ensure that the personal data is securely removed from its systems and any printed copies securely destroyed immediately. In complying with this clause, electronic copies of the personal data shall be securely destroyed by either physical destruction of the storage media or secure deletion using appropriate electronic shredding software.
- 14 The Data Controller is entitled to make any check it considers reasonable to ensure that information is properly secured and handled, and to check compliance with this Agreement, subject to appropriate notice to the Data Processor. The Data Controller will carry out reasonable checks such as carrying out an audit visit, receiving audit trails or incident logs or requesting data destruction records from the Data Processor.
